WHEN CAN LESS MAKE YOU MORE?

ANSWER: When all you pay for is the paint.

*Nothing in life is ever free. – Mom.

Why Do You Have To Pay Higher Paint Prices Because The Shop Down The Street Just Got a Free Paint Booth? What did you do wrong? Why weren't you one of the "chosen" accounts that got a special deal? With Pro-Spray European Automotive Finishes you don't pay for hidden costs – All you pay for is the paint. Because in today's competitive marketplace, your profits are being squeezed and it's what you don't see in the can that inflates the price.

What's in every can of Pro-Spray? Premium European refinishing technology. The finest resins available. Precise colour match. Coverage in fewer coats. European quality and colour match at an incredible value. When it's about getting the job done, use Pro-Spray.

 Formulated and manufactured in England. Limited distribution areas available — Call 330-830-8445.

The Ultimate in European
 Technology and Value.
